A sex offender shall keep the registration current for the full registration period but shall not be subject to verification procedures during any time the sex offender is in custody or under an inpatient civil commitment, unless the sex offender is allowed a reduction in his or her registration period under subsection (2) of this section.

(b) The full registration period is as follows:

(ii) Twenty-five years, if the sex offender was convicted of a registrable offense under section 29-4003 punishable by imprisonment for more than one year; or

(2) A sex offender who is required to register for fifteen years may request a reduction in the registration period to ten years upon completion of ten years of the registration period after the date of discharge from probation, parole, supervised release, or incarceration, whichever date is most recent. The sex offender shall make the request to the Nebraska State Patrol. The sex offender shall provide proof that, during such registration period, he or she:

(b) Was not convicted of any sex offense;

(c) Successfully completed any period of probation, parole, supervised release, or incarceration; and
