

ORS 24.190 (2010)- Foreign restraining orders.

(3) (a) A person protected by a foreign restraining order may present a true copy of the order to a county sheriff for entry into the Law Enforcement Data System maintained by the Department of State Police. Subject to paragraph (b) of this subsection, the county sheriff shall enter the order into the Law Enforcement Data System if the person certifies that the order is the most recent order in effect between the parties and provides proof of service or other written certification that the person restrained by the order has been personally served with a copy of the order or has actual notice of the order. Entry into the Law Enforcement Data System constitutes notice to all law enforcement agencies of the existence of the restraining order. Law enforcement agencies shall establish procedures adequate to ensure that an officer at the scene of an alleged violation of the order may be informed of the existence and terms of the order. The order is fully enforceable as an Oregon order in any county or tribal land in this state.

(b) The Department of State Police shall specify information that is required for a foreign restraining order to be entered into the Law Enforcement Data System.

(c) At the time a county sheriff enters an order into the Law Enforcement Data System under paragraph (a) of this subsection, the sheriff shall also enter the order into the databases of the National Crime Information Center of the United States Department of Justice.

(4) Pending a contempt hearing for alleged violation of a foreign restraining order, a person arrested and taken into custody pursuant to ORS 133.310 may be released as provided in ORS 135.230 to 135.290. Unless the order provides otherwise, the security amount for release is \$ 5,000.

(5) ORS 24.115, 24.125, 24.129, 24.135, 24.140, 24.150 and 24.155 do not apply to a foreign restraining order.

(6) A person protected by a foreign restraining order may file a certified copy of the order and proof of service in the office of the clerk of any circuit court of any county of this state. A judgment so filed has the same effect and is subject to the same procedures, defenses and proceedings for reopening, vacating or staying as a judgment of the circuit court in which the foreign judgment is filed, and may be enforced or satisfied in like manner. The court may not collect a filing fee for a filing under this section.

Oregon is a mandatory Public Law 280 state except for Warm Springs. Oregon has also partially retroceded jurisdiction back to the Umatilla Reservation.
